OBJECTIVE

Final-year Software Engineering student at FPT University, seeking a Fresher Java Backend position. Hands-on with Spring Boot 3, PostgreSQL and Docker from a 3-month capstone project where I owned the payroll and contract modules of an HRM system. IELTS 6.5 – comfortable working and communicating in English.

TECHNICAL SKILL

Backend: Spring Boot 3, Spring Security (JWT), Spring Data JPA / Hibernate, MapStruct, RESTful API design

Languages: Java, SQL

Tools: Git & GitHub, Docker & Docker Compose, Maven, Swagger / OpenAPI, JUnit 5, Mockito, Apache POI

Concepts: OOP, layered architecture (Controller–Service–Repository), DTO mapping, unit & integration testing, Agile / Scrum

PROJECTS

Capstone Project: HRM System for THT Solution

4/2026 - 9/2026

Backend Developer (Team of 5)

Web and mobile HR platform for employee records, contracts, attendance, leave and payroll. Spring Boot 3 REST API (~400 endpoints, 70 JPA entities) with React web and React Native clients on PostgreSQL.

- Built the Payroll module end-to-end: salary component configuration, monthly payroll runs with preview / approve / lock states, and Vietnamese statutory calculations – social, health and unemployment insurance, 5-bracket progressive personal income tax, trade-union fee – plus pro-rated salary, overtime and bonus. Exported payroll reports and payslips to Excel with Apache POI.
- Designed Contract Management around Labour Code rules: contract versioning with a SUPERSEDED state and separate addendums, so payroll resolves the base salary that was in effect for the period being calculated. Also delivered the Organization Management module.
- Integrated face-recognition check-in for the mobile app: a Spring Boot service calling a Python ONNX sidecar for liveness detection and face matching.
- Tested with JUnit 5 and Mockito, and containerised the local stack with Docker Compose.

Tech: Java 17, Spring Boot 3, Spring Security (JWT), Spring Data JPA, MapStruct, PostgreSQL, React, React Native, Docker, Apache POI, JUnit 5.

CERTIFICATIONS & AWARDS

2023: IELTS 6.5

2026: Topik 3

2022: Consolation Prize – "Serendipity" Writing Contest
Top 10 – "English Passion Challenge" Speaking Contest
